# What's Up In July & August

**Earn a prize for recruiting a new volunteer**

**Mission Statement**  
To serve Arvada's youth through active community participation, legal education, and a positive peer atmosphere.

## New Magistrate Panel

What is it?

A new model we added to teen court last year. Instead of attorneys and an adult judge we have a panel of teens that serve as Magistrates

What is a Magistrate?

A peer that questions the respondent and their parent(s), considers evidence presented about respondent's awareness of harm caused and community development in disposition, and decides disposition.

Why?

Allows every Magistrate to have an active role in the hearing.

When?

The first training for all volunteers interested is July 12th.

Check out the website for more details.
