

19th Annual

COLORADO COWBOY POETRY GATHERING

This four-day roundup features some of the world's best rhyming, yarn-spinners, sagebrush side-ticklers, yodelers, singers and western musicians. Our January 2008 event will pay tribute to Buck Ramsey, who profoundly influenced the writing and music of contemporary Western performers. Buck's widow, Bette, will be in attendance as we honor his life, outstanding achievements and contributions to the art of cowboy poetry.

The program will also feature over 30 poets and musicians with the current line-up including Doris Daley, Chuck Pyle, Gary McMahan, Cowboy Celtic, Jerry Brooks, Jill Jones, Liz Masterson, Georgie Sicking, Milton Taylor and Andy Wilkinson.

Thursday - Sunday,
January 10 - 13, 2008
