

OLDE TOWN PARKING STUDY

OPPORTUNITY FOR INPUT

The City is initiating a study of parking supply and demand in the Olde Town area. Please attend an introductory meeting to provide your opinion of the parking issues in Olde Town.

ARVADA PUBLIC LIBRARY
1 ST FLOOR MEETING ROOM
DECEMBER 11, 2008
6:00 P.M. – 8:00 P.M.

This pro-active effort by the City will assist in understanding the travel and parking dynamics of Olde Town and surrounding neighborhoods with the coming of the Gold Line. A plan for parking is necessary so that residents, businesses, commuters and visitors are well served. The study team is seeking thoughtful input from area businesses, institutions and residents on the issues, possible management strategies and recommendations of the parking study. A total of three meetings are planned over a six month period.

PLEASE GET INVOLVED EARLY SO THAT WE HEAR FROM AS MANY PEOPLE AS POSSIBLE.
THANK YOU!
