

**Dear Arvada Center 2009 Summer Event Series Patron,**

Thank you for your ticket order. Please be aware that all patrons, including children, need a ticket for concert entry. Our performances are held rain or shine and because of this we cannot give refunds, credits, or exchanges for summer events.

Amphitheater gates will open at 6 pm for seating and picnics. Picnics are welcomed but please no glass containers. Only alcoholic beverages purchased onsite may be brought into the concert and all coolers will be checked upon entry. Wine and beer is available for purchase from our concessions stand opening at 6pm.

If you have tickets for general admission lawn seating, you are welcome to bring your own beach style chair with only rounded legs, a maximum seat height of 8” and a maximum overall height of 28”.

**The Arvada Center no longer rents beach chairs to general admission ticket holders.**

Latecomers will be seated at the discretion of the house staff.

Thank You,
