

# *You Are Invited*

The City of Arvada and Arvada Park Advisory Committee  
invite you to the dedication of  
Little Dry Creek Park

***September 7, 2010 at 6:00 p.m. at  
Little Dry Creek Park  
West 78<sup>th</sup> Avenue and Pierce Street***

Britina Design Group, an Arvada based landscape architecture firm, in collaboration with Park staff, has designed a new playground that is fully accessible and meeting the latest safety requirements. The new design changed the setting for the playground, protected the existing trees, carved shaded seating areas into berms around the playground, upgraded irrigation controls and added xeriscape plant beds to reduce water usage in the park.
