

*Making it easier to go solar!*

# \$500 discount on solar energy systems!

The discount program provides a cash benefit to residents whose city or county has been certified as a Solar Friendly Community.

- The \$500 discount is offered by participating companies listed below on standard home systems.
- Available to residents of certified Solar Friendly Communities in Colorado: Denver, Aurora, Lakewood, Fort Collins, Arvada, Nederland and Boulder County.
- The discount represents some of the savings in the cost of permitting and installing solar energy systems through the program. Learn how your community can get involved at [solarcommunities.org](http://solarcommunities.org).
